Remarks:

This application has been carefully considered in light of the Official Office Action and the allowance of the Claims in the case, namely 4-7, inclusive is noted and courteously acknowledged.

The Claims have been amended in the manner suggested in the Office Action and where the claim portions have been indicated to not be understood, namely, in Claim 6, they have been made more definite by being amended along lines which it is believed will be acceptable by the Examiner.

Accordingly, it is believed the case is now in condition for allowance, and favorable consideration in this respect is respectfully requested.

Respectfully,

Robert E. Kleve
